

Flying to Canada during COVID-19?

As of November 21, 2020, it is **mandatory** for all travellers flying to Canada to submit their COVID-related information digitally through **ArriveCAN**

Before you board your flight

You **must** use ArriveCAN to provide your:

- › Travel and contact information
- › Quarantine plan (unless exempt under conditions set out in the Mandatory Isolation Order)
- › COVID-19 symptom self-assessment

You must be ready to show your ArriveCAN receipt when seeking entry into Canada; a border services officer will verify that you have submitted your information digitally.

If you are an in-transit passenger whose final destination is not Canada, you do not have to submit your information.

After you enter Canada

Unless you are exempt under conditions set out in the Mandatory Isolation Order, you **must** use ArriveCAN within **48 hours of entering Canada** to:

- › Confirm you have arrived at your place of quarantine or isolation
- › Complete a daily COVID-19 symptom self-assessment during your quarantine period

Use ArriveCAN by signing in online or by downloading the mobile app through Google Play or the Apple App store
